

Dear Parents,

The race is on! And Fall Festival is here!

Box Tops Race to the Finish is starting off with great success! Thank you again for your participation. Last year we were able to raise over \$900 dollars and this year our goal is to raise over \$1000. Your children are receiving rewards along the way as they reach their goals so be sure to keep them involved.

The goals will be set at 100, 350, 600, 850, 1000, 1250, and 1500. I am proud to announce that every class has reached the first goal of 100 box tops. The kids all received a Sweeties candy! In addition to the goals along the way the class that has the most box tops at the end of the school year will receive an ice cream party. You can see how your class is doing with our fabulous race poster that is posted in the office. The children love to see their teacher's pictures race!

Fall Festival is approaching. Box tops will be auctioning off a gift basket this year. A movie basket donated by our own parent's club The price for each raffle ticket is 10 box tops! All you have to do is

- Place your **10** box tops in a **Ziploc** bag
- Put your **child's name** and **teacher** on the bag! (To make sure we can give the basket to the appropriate person and the class gets the points!)
- At Festival put it in The Box Tops Box. The drawing will be taken from there.

So make sure you are collecting because like the saying goes, you have to be in it to win it.

Thank you so much,

Stacie Montalbano
