To Whom It May Concern:

Every year, the Bowman Academy Parents' Club sponsors a Fall Festival, which will be held this year on October 22, 2011. All proceeds from the Festival go to the Parents' Club, to further the educational programs at the school. In addition to the Festival, each class sponsors a "Theme Basket Raffle." Each class is involved in the making of these baskets and the proceeds will go directly to each class.

We would love to add a gift certificate or donation from your business to our basket. We appreciate your consideration. Thank you.

Director Bowman Academy
