## Happy New Year!!

Bowman Academy would like to wish everyone a happy and healthy New Year! As you look to the New Year and make those New Year Resolutions, try adding one of these to the list.

- Turn off the DVD player in the car and talk with your child about what they see out the window, plans for their day, or sing songs.
- Turn off the TV and spend time reading to your child, playing games, or including them in meal preparation.
- Make going to the grocery store an adventure; talk with your child about your purchases.

## "Alpha House"

Our heartfelt thanks goes out to all of our generous families who provided numerous items for the Alpha House of Tampa Bay. Thank you for your overwhelming generosity, and a special thank-you to Mary Hedgecock for spearheading this event.

## Fall 2011 Registration

Yes, It's hard to believe, but we must begin preparing for Fall 2011. Registration packets will be distributed to current students and siblings on January 4. These packets must be returned before January 21 in order to guarantee enrollment in the Fall. We already have a number of parents of new children that are very interested in enrolling their children for next year. We will be opening registration to new students on January 24, so please return your registration prior to this time to guarantee a position.

## Important Reminders

- **Labels**: Please label all clothing brought to school. With the arrival of cooler weather, we usually have several unclaimed sweaters and jackets.
- **Emergency Cards**: If your information has changed, please be sure to update it on the emergency card in the Office.

*We look forward to a great 2011!*
