

## **Pre-K Two News November 2011**

The Fall Festival was a wonderful success. All the children had a wonderful time and the parents also seemed to enjoy themselves! Thank you for all the donations to our "Whole Lot of Shopping" basket. It was enormous and beautiful! Thank you again!

November is upon us and the children are all enjoying the fall season. During this month our theme will be Going Places. This theme will introduce the students to various forms of transportation. Our community helper puppet is Annie Astronaut. Annie will help us explore this month's theme. We will also introduce the story of the first Thanksgiving. Some of the additional concepts and skills that will be covered include:

Color: Brown  
Value: Manners  
Shape: Square  
Number: 1,2,3,4  
Nursery Rhymes: "Jack and Jill"  
"Wee Willie Winkle"

Stories: The Gingerbread Man, Bear Snores On

November will bring some very important dates to remember. Please mark your calendar's for:

November 18- Bowman's Thanksgiving Dinner  
November 21 & 22- "Wee Willie Winkle" Pajama Day (students may wear their PJ's to school, info to follow shortly)

Parents, since the weather may turn cooler, please label all jackets so we can keep up with whose jacket is who's. In addition, if your child is wearing pull-ups, we ask that you send in pull-ups that open and close on the sides. This will allow for easier changing. Remember that there is no school November 23-25 in honor of Thanksgiving. May you have a peaceful Thanksgiving break.

**Thank you,  
Mrs. Bobbie, Mrs. Colleen, & Mrs. Jackie**
