

Pre K 3  
September 2011

Dear Parents,

What a great start we have had this year. All of the children have adjusted well to school and our classroom routine. We are having fun learning and playing together!

This month we will begin the alphabet. We will focus on one letter every week. During that week we will learn the letter sound, words that start with that letter, and writing that letter. In math, we will continue to review colors and start reviewing the circle, triangle and square. We start to trace our names and work independently with scissors as well. These are great fine motor skills to practice at home.

Our Open House is scheduled for September 8<sup>th</sup> at 7:00pm. We will take this opportunity to explain our routine and curriculum. We will also have information about the Fall Festival. This will be an informative hour and also a time for you to sign up to help with our class parties.

Please feel free to contact us if you have any questions or concerns.

Looking forward to a great year!

**Kara and Denise**
