

April 2012

**News from Pre -
K3**

This month we are ready to "spring" ahead with more fun learning activities! We will cover the letters V, W, X, and Y. We continue to review previously covered letters, practice our counting and number recognition, and practice writing our names. April showers bring May flowers! We would like to plant a small flower garden on the playground for the children to care for and enjoy. Please let your child choose a flowering plant (annual or perennial) and bring it to school on Friday, April 20. We will begin planting our flowers on Monday, April 23.

We would like to applaud the children for their GREAT performance of "Rock N Roll Nursery Rhymes". They did a wonderful job and had fun doing it! It was a thrill to see the large audience and we thank you for your attendance.

Thank you for the overwhelming support of the Parent's Club annual book fair. Our classroom received many beautiful books as a result of the generous donations of our parents. Due to the large volume of sales, we were able to select many more books which the children are really enjoying! We appreciate your generosity and support.

Our Spring party will be on Wednesday, April 4, from 10:30-11:30. Our classroom parent, Cathy Edwards, has planned a delicious menu and fun activities. If you signed up to help, we look forward to seeing you!

We are impressed and pleased with your children's progress and are thankful to be a part of their young lives. We thank you for your continued support!

Mrs. Hedgecock and Miss Joani
