

# April News

Mrs. Kidder, Ms. Jackie's & Ms. Anne's Class

## Reading

We have finally completed the alphabet! We will now focus on the vowels and review their two sounds. We will be learning the next five sight words on our list. The words are me, are, for, play & have. Keep reading the paper books we send home to reinforce these sight words.

## Math

We will continue to learn the numbers to 20. We will also be working on nonstandard measurement, ordinal numbers, adding and subtracting sets and graphing.

## Writing

The children have come a long way with their writing since the beginning of the year. Now that we have completed the alphabet, we will go back and review the proper formation of the lowercase letters. During our Writer's Workshop we will start putting some sight words together to make a sentence. We will talk about starting a sentence with an uppercase letter, spacing our words and ending with an ending mark. It's amazing how fast they will pick this up!

## Upcoming events

On May 6th we will have our class program @ 9:00 am. Our theme will be Underwater Comedy. Please send in a plain white t-shirt that we can use to decorate for the program. We will be sending home a letter soon to let you know more about that day. We will have a special Mother's Day celebration on May 1 @ 9:00 am. Don't forget to mark your calendars!

## Thank You!

The Book Fair was a great success this year! It is always nice to see the children get excited for new books. We are so appreciative for all the wonderful books that were purchased for our classroom.
