January 2016

Mrs. Lively and Mrs. Scott's Pre-K Class  
jlively@thebowmanacademy.com

## Literacy

Happy New Year! This month we will finish learning about both sounds for the vowels and begin learning about word families.

We will begin with the word families -at and -an. Later in the month we will begin working on our Primary Phonics Workbooks. These workbooks will be used throughout the week to practice our phonics skills.

## Writing

In writing we will continue to practice writing our names with the first letter uppercase and the rest lowercase. We will also begin working on writing our last names. For writers workshop we will learn to label our writing to give the reader information. We will label using the sounds we hear in the words.

## Math

We will continue learning our numbers and will be working on the numbers six through ten. We will practice one to one correspondence and begin learning about ordinal numbers.

## Sight Words

but, not, what, all, were,  
we, when, your, can, said

## Science

We will be discussing bears and hibernation and then moving on to discuss the seasons and weather.

## Important Dates
