Scholastic Book Fair

The Book Scholastic Company will again be hosting our annual Book Fair on 3/7, 3/8 & 3/9. The more books purchased by Bowman families, the more free books our school receives from Scholastic. Last year the Bowman teachers were able to add many books to their classroom libraries at no cost.

This is a great opportunity for you to purchase quality books. Reading to your child regularly is a great way to assist their language development. Ask questions about the story and have your child talk to you about their favorite part in the story. Make reading fun!
