

Important! Please Read

- Ages:** 3 – 5 years
- Hours:** **Summer Camp:** 9:00 am - 1:00 pm
Before Care: 7:30 am - 8:45 am
After Care: 1:00 pm - 6:00 pm
- Food:** A mid-morning snack is provided; children must bring their own lunch.

Fees

Registration (one time only, due now to reserve Sessions):	\$40
Summer Camp (1 Week Session)	\$150
Academic Enrichment (2 Week Session)	\$300
Extended Care (7:30 – 8:45 am and 1:00 – 6:00 pm)	\$4.25/hr

We have a great program planned for our 2017 Summer Camp. We are committed to a quality program with a professional teaching staff. Therefore, enrollment is limited in each session and positions will be filled on a first come, first serve basis.

In order to guarantee a position for your child, the Registration Form must be completed and returned with the non-refundable registration fee. The registration form is enclosed with this brochure. Additional forms are available in the office.

Tuition for Sessions 1 - 4 must be paid by May 12th
Tuition for Sessions 5 - 7 must be paid by June 16th

Any changes must be made at least one week prior to an enrolled session. Children who do not attend their enrolled session(s) will forfeit their Registration Fee and Tuition.

Session 1: June 5 - 9

Under the Sea

Dive right in as we explore some of the strange and fascinating creatures that swim beneath the sea!

Session 2: June 12 - 16

Space: To the Moon and Back

Countdown to blast off for an adventure that will be truly out of this world!

Session 3: June 19 - 23

Paint Your Heart Out

We will explore colors, textures, and different painting techniques, all while creating masterpieces!

Session 4: June 26 - 30

A Pirate's Life for Me!

Join our swashbuckling adventure with treasure hunts, pirate costumes, parrots, and telescopes! Be careful not to walk the plank!

Session 5: July 10 - 14

Science All Around Us

Children will conduct experiments each day to help discover how science occurs in our daily life!

Session 6: July 17 - 21

Dino Days

Chomp! Stomp! Roar! We will travel back in time to the age when dinosaurs walked the Earth!

Session 7: July 24 - 28

Once Upon a Story

Let's enjoy some favorite and new storybooks! Each story will broaden our knowledge of characters, story plot, and adventure!

Academic Enrichment Summer Camp

Bowman Academy will offer a Summer Camp for 4 and 5 year olds to enhance Reading, Writing Math and Science Skills.

Teachers will use fun, multi-sensory teaching methods in small groups, that focus on reading, writing, science and math. Children will be expected to master these skills in the beginning months of PreK-4 and Kindergarten.

(Please see the back of this page for skills that may be incorporated in your child's session.)

Bowman Academy has a 40 year history of teaching pre-school children in a challenging and fun learning environment.

Three Two-Week Sessions

June 5 – June 16

Space: To the Moon and Back

June 19 – June 30

Under the Sea

Academic Enrichment Skills

(based on developmental level)

Reading

- ✓ Letter recognition (upper and lower case)
- ✓ Letter sound recognition
- ✓ Vowel sounds (both short and long)
- ✓ Identifying beginning, middle and ending sounds
- ✓ Understanding letters are used to create words
- ✓ Letter sound blending (vowel and consonant)
- ✓ Sight words & word families
- ✓ Using pictures to predict text
- ✓ Author study
- ✓ Story elements

Writing

- ✓ Correctly forming upper and lower case letters
- ✓ Drawing pictures to tell stories
- ✓ Writing names
- ✓ Drawing and labeling pictures using free writing and specific topics
- ✓ Beginning sentence structure using inventive spelling
- ✓ Spacing between words
- ✓ Proper placement of letters on lined paper

Science

- ✓ Exploring amazing underwater creatures
- ✓ Discovering space and our solar system
- ✓ Investigating dinosaurs that roamed the Earth

Math

- ✓ Number sense (identifying and writing numbers, rote and object counting)
- ✓ Understanding one-to-one correspondence
- ✓ Understanding and naming up to five ordinal positions
- ✓ Sorting and matching objects by color, size and shape
- ✓ Identifying, copying and extending patterns
- ✓ Graphing (understands mathematical relations in charts and graphs)
- ✓ Measuring (using nonstandard references for length & height of objects)
- ✓ Combining and removing objects from sets (add & subtract)

On the first day of each session, children will receive an assessment of their current reading and writing levels. This assessment will be used to ensure that each child is taught at the appropriate academic level. All skill levels will be incorporated into our curriculum so every child will be successful and enjoy the camp activities.
