Dear Parents,

We are beginning our last month of school! This month we will be reviewing all of the numbers, shapes, colors, and other skills that we have learned throughout the year. We also will be learning some new concepts and skills, including:

Colors: black and white

Numbers: 10, 0

Opposites: open/close, up/down, in/out

Holiday: Mother's Day

On Wednesday, May 24, our 3-Day students will have their End of the Year Party, and on Thursday, May 25 our 2-Day students will have their End of the Year Party. Our last day of school is Friday, May 26. Dismissal is at 11:45am with no aftercare on this date.

Your children have grown so much throughout this year. We have really enjoyed having them in our class, and we are going to miss them all so much! They have learned a great deal, and it has been a joy to see their personalities flourish and friendships grow. We are so grateful for all of your support and all you have done to make our classroom successful! Thank you for the opportunity to teach and love your children!

Sincerely,

Ms. Jackie, Ms. Joani, and Ms. Mary
