Dear Parents,

It's hard to believe that we are already in the month of February! February is National Dental Health Month and our theme will focus on being happy and healthy. We will learn and discuss dental health and other ways to keep our bodies healthy!

Some of the new concepts we will introduce this month are:

Color: Pink

Shape: Heart

Number: 7

Nursery Rhyme: "The Queen of Hearts"

Books: Pinkalicious, The Day it Rained Hearts, Happy

Valentine's Day, Mouse, The Day It Rained Hearts,

Brush, Brush, Brush, and Tooth Trouble

We will also be reading many different books about keeping our bodies healthy!

We will be having our class Valentine's Day party on Thursday, February 15. Lunch will be served so you do not need to pack a lunch on that day. The children will be passing out Valentines to each other. Your child should send in 13 cards to hand out. You only need to put your child's name on the card and you can leave whom it is "to" blank. This makes it easy for the children to distribute. Please send in the cards by Tuesday, February 13 so students can distribute the cards on Wednesday, February 14. The children will be decorating a bag at school to put their Valentines in. If you would like to send in any Valentine's Day stickers or foam shapes to decorate the bags with that would be greatly appreciated! If you choose to, please do so by Thursday, February 8.

Also, our conference day is set for Tuesday, February 27 from 8:30am - 12:30pm. This is the last day for conferences this year, so we hope many of you can schedule to meet.

Thank you,  
Mrs. Bobbie, Ms. Denise, and Mrs. Colleen
