## Happy New Year!

Our Valentine's Day party will be on Wednesday, February 14. We will be celebrating a day of friendship and sharing Valentine cards. Please bring in 18 valentines with only your child's name on it by Monday, February 12.

## Math

We have been working hard on learning our numbers. We will be focusing on the numbers 10, 11, 12, 13 & 14 this month. We will also revisit the concepts of counting, sorting, graphing and patterning.

## IMPORTANT DATES

February 14 - Valentine's Day Party

February 19 - President's Day Holiday

No School

February 21 - Spirit Night at McDonalds

\*5393 Ehrlich Road 33624

February 21 - Progress Reports Distributed

February 26 - Parent/Teacher Conferences

\*Sign up through the Sign-up Genius emailed link

\*Please remember to bring in your Box Tops!!!

## Literacy

We will be spending time working in various literacy centers. The activities at these centers give students a fun and engaging way to practice early literacy skills and encourage social interactions. We will continue our letter study this month. The letters we will focus on are Qq, Gg, Ss, Aa, & Ii. Our word wall continues to grow as we learn new sight words each month. The new words for February are: go, had, to, in, & have. The paper books we will be sending home are a great way to reinforce these sight words.

## Writing

It is exciting to see the growth of the children as they write each day. We will continue to take time practicing writing our names. Please practice this at home as well. We will also continue learning the correct formation of the letters we are learning each week. For Writers Workshop, we will learn to label our writing to give the reader information. We will label using the sounds we hear in the words.

## Science

We have been discussing bears and hibernation, and this month will move on to discuss the seasons and weather.
