

Summer Camp

**June 4 – July 27
2018**

One-Week Summer Camp Sessions

and

Two-Week Academic Enrichment Sessions

Session 1: June 4 - 8

Commotion in the Ocean

Dive into summer as we learn all about the creatures that inhabit our oceans and seas!

Session 2: June 11 - 15

Down on the Farm

Come enjoy and learn all about life on the farm. We will plant seeds, learn about different animals, and even make butter!

Session 3: June 18 - 22

A Camping We Will Go

Take a nature walk, go on a scavenger hunt, and rest in a tent. Maybe even go on a bear hunt. Come join us on a fun adventure!

Session 4: June 25 - 29

Mad Science

Let's put on our thinking caps as we perform awesome and exciting experiments each day!

Session 5: July 9 - 13

Painting Palooza

Let's paint by mixing and exploring colors, textures, and different techniques. We may even use our feet!

Session 6: July 16 - 20

Superheros All Around

Faster than a speeding train, more powerful than lightning – your child will discover how they are a superhero!

Session 7: July 23 - 27

Fantasy Land

Literature will help us explore some of our favorite and new storybooks! Each story will be an adventure with an art activity incorporated for added fun!

Academic Enrichment Summer Camp

Bowman Academy will offer a Summer Camp for 4 and 5 year olds to enhance Reading/Writing and Science/Math Skills.

Teachers will use fun, multi-sensory teaching methods in small groups, that focus on reading, writing, science and math. Children will be expected to master these skills in the beginning months of PreK-4 and Kindergarten.

(Please see the back of this page for skills that may be incorporated in your child's session.)

Bowman Academy has a 40 year tradition of teaching pre-school children in a challenging and fun learning environment.
