April 2018

Mrs. Kidder and Mrs. Vicari's Pre-K Class  
mkidder@thebowmanacademy.com

## Class Program

Our Class program theme will be "Pirates."  
It will be held on April 27th at 9:00 am.  
Please have your child wear a red t-shirt  
and jeans that day.

## Math

We will continue to learn the numbers to 20.  
We will also start working on nonstandard  
measurement, adding and subtracting sets.  
We will also review other concepts we have  
learned this year.

## Science

In science we have been learning about the  
characteristics of the day and night sky  
and how one changes into the other. We will  
now start to learn about living and non-living  
things. We will also learn about the life cycle  
of a butterfly.

## IMPORTANT DATES

April 18 - Earth Day Plant Due  
April 27 - Pirate Program  
May 11 - Muffin's with Mom - Save the Date

## Literacy

We have finally completed the alphabet!  
We will now focus on the vowels, word  
families and review all the sight words we  
have learned. The new words for March  
are: for, you, his, are & that. If you feel your  
child is ready to move on and learn new  
words, I encourage you to do so. Please keep  
practicing them at home.

## Literacy Centers

The children have been enjoying spending  
time working in various literacy centers.  
The activities at these centers give  
students a fun and engaging way to  
practice early literacy skills and encourage  
social interactions.

## Writing

The children have come a long way with  
their writing since the beginning of the  
year. Now that we have completed the  
alphabet, we will go back and review the  
proper formation of all the lowercase  
letters. During our Writer's Workshop we  
will continue to label our pictures and start  
writing plans.

## Earth Day

In honor of Earth Day, Sunday, April 22,  
we will be planting a butterfly garden.  
Please remember to bring in a plant  
by Wednesday, April 18.
