April 2018

Mrs. Lively and Mrs. Scott's Pre-K Class  
jlively@thebowmanacademy.com

## Earth Day

In honor of Earth Day, Sunday, April 22, we will be planting a butterfly garden. Please bring in a plant by Wednesday, April 18. If anyone is interested in helping us plant that day, I would like to have two parents to help. Let me know if you're available.

## Math

We will continue to learn the numbers to 20. We will also start working on nonstandard measurement, adding and subtracting sets. We will also review other concepts we have learned this year.

## Class Program

Our Class program theme will be "Summer Fun." It will be held on April 18th at 9:00am. Please have your child wear beach/summer clothes. They can wear swimsuits with a cover up, sundresses or tropical attire. Sunglasses and hats are allowed too.

## Literacy

We will now work on the op, ot, og, and ug word families and review all the sight words we have learned. The new words for March are: for, you, his, are & that. If you feel your child is ready to move on and learn new words, I encourage you to do so. Please keep practicing them at home.

## Writing

The children have come a long way with their writing since the beginning of the year. We will continue the proper formation of all the lowercase letters. During our Writer's Workshop we will continue to label our pictures and start writing plans.

## Science

In science we have been learning about the characteristics of the day and night sky and how one changes into the other. We will now start to learn about living and non-living things. We will also learn about the life cycle of a butterfly.

## IMPORTANT DATES

April 18 - Summer Fun Program 9:00am

April 18 - Earth Day Plant Due

May 11 - Save the Date for Muffin's with Mom
