Dear Parents,

It is hard to believe the last day of school will soon be here. Your children have grown so much since we first met in August. They really have developed physically, emotionally, as well as academically. We are so proud of all their accomplishments throughout the year. We have really enjoyed being a part of their lives and will miss their beautiful faces next year.

Our program, "Bowman Live," was a great success and we certainly saw some true star qualities shine. The children really enjoyed putting on this performance for you and I was glad to see so many parents and grandparents able to attend the performance.

As this year comes to a close, we will focus this month on our last letters "X", "Y" and "Z". We will continue with name writing, scissor skills and pattern and number recognition. We will spend the remainder of the month reviewing and re-enforcing letters, colors and shapes.

This month is Mother's Day and the children have worked very hard on their present to you. We know you will enjoy it on your special day.

Our end of the year class party is Wednesday, May 23rd at 11:00.

Friday, May 25th is our last day of school. Dismissal for all students is at 11:45 PM - There is no after care available on this date.

Finally, we would like to take this opportunity to thank the homeroom moms and all the parents who have made this year such a great success. We really appreciate all you do for our class and school.

Have a wonderful and relaxing summer.

Sincerely,

Ms. Susan
