

**Mrs. Bobbie's Pre-K 2 News
September 2018**

Dear Parents,

We are already several weeks into the school year and your little ones are doing great! Each child is becoming more comfortable in the class routine and with us. We hope you too are enjoying your child's school experience as much as we are enjoying your child!

September is a very busy month. Our September theme is "Sense-A-Tional Me!" This theme is designed to help your child learn about him/herself and the world using all five senses. Some of the concepts and skills that will be developed this month include:

Color: Red

Theme: My Body Parts & My Five Senses

Nursery Rhymes: "Mary Had a Little Lamb"

"Way Up High in the Apple Tree"

Books: "The Little Mouse," "The Red Ripe Strawberry, and The Big Hungry Bear," "The Big Red Barn," "From Head to Toe," "I Like Me!," "Brown Bear, Brown Bear What Do You See?," & "Llama Llama, Red Pajama"

Shape: Circle

Numbers: 1 & 2

With each of these stories, poems, and crafts your child will develop language and social skills, while promoting creativity, self-confidence, and motor skills. Please make sure you ask your child what they did class each day - so much more is done than what goes home to you.

On September 11th, Bowman will have an Open House at 7:00PM for all parents. The classroom will be open for you to see and for review and talk about the class routine and our year! I hope each of you can make it. Please know that this is an adult only event.

Thank you,
Mrs. Bobbie, Mrs. Colleen & Ms. Denise

Important dates:

9/3 Labor Day (No School)

9/11 Open House 7:00pm
