

## Ms. Mary's Pre-K Two November 2016 Newsletter

Dear Parents,

Our class is looking forward to many fun events and activities this month! The Fall Festival is coming up on November 3rd, and we are hoping to see you there! We want to thank you for donating to our class baskets. They are full of fantastic items and that could not have been done without your help!

During the month of November we will continue to discuss fall and our theme will be Going Places. This theme will introduce the students to various forms of transportation. We will also introduce the story of the first Thanksgiving and talk about family traditions. Some of the additional concepts and skills that will be covered include:

- \*Color: Brown
- \*Shape: Square
- \*Numbers: 1,2,3,4
- \*Nursery Rhymes: "Wee Willie Winkie"
- \*Stories: The Littlest Pilgrim,  
Thank You, Thanksgiving  
Bear In A Square

The weather will soon be turning cooler and children will be bringing jackets to school. Please remember to label your child's jacket so that we know whom they belong to. We hope you have a wonderful Thanksgiving with your families!

Sincerely,  
Ms. Mary, Ms. Joani, and Ms. Carol
