

Ms. Emily's Pre-K 3 January 2019 Newsletter

Dear Parents,

We hope you had a wonderful, restful holiday spent with family and friends! We sure did miss you precious little ones over the winter break! We are excited to get back into the swing of things and keep on learning!

As soon as we return to Bowman on January 7, we will take a week to do winter activities. We will create lots of crafts and read lots of books focused on winter, with a focus on snow, snowmen, penguins, etc. Then for the remainder of January, we will focus on continuing our journey through the alphabet, concentrating on the letters, N, O, and P.

We have enjoyed seeing the show and tell bag return to school with items beginning with the letter of the week! Please be patient if your child has not yet brought the bag home, as we are going alphabetically by last name through our class list. I promise every child will have the chance to share the show and tell bag!

There will be no school on January 21, as we celebrate Martin Luther King Jr. Day!

Thank you for all that you do! Your child is successful at Bowman because of you!

Sincerely,

Emily Warren & Saby Cartaya
