

Ms. Mary's Pre-K Two January 2019 News

Dear Parents,

We hope you all had a wonderful holiday break filled with lots of fun and relaxation! Our students enjoyed learning about different holidays and celebrating them together! This month we are going to continue discussing winter and also learn about animals that live in very cold weather. We will also learn about hibernation and read some fun stories to go along with our topics. We are going to learn a new shape, color, and number, and continue to review the ones we have already learned.

Some of the concepts we will introduce this month are:

*Color: Blue

*Shape: Rectangle

*Number: 6

*Stories: Bear Snores On

Life In The Polar Regions

All You Need For A Snowman

Snowmen All Year

The Littlest Snowflake

Baby Bear Sees Blue

We look forward to a great month of learning and growing with your children!

Sincerely,

Ms. Mary Ms. Joani, and Ms. Carol

Important Dates:
