

Ms. Susan's Pre-K 3 February 2019 Newsletter

Dear Families,

February is here and we have many things planned for this short month. First, our class party will be on Friday, February 15th at 11:00. Remember lunch will be provided that day, so unless your child stays for aftercare and may want a snack later in the day, no lunchboxes please. All parents are invited to join the fun and our class moms will be sending out a sign-up for party plans. We will also be having a Valentine exchange prior to our class party. Please send in 18 Valentines with only your child's name signed. This makes it easier for the kids just to put the Valentines in the other children's bags without having to find each one individually.

Our letters this month are Q, R and S. We will continue practicing our pattern recognition, shapes, and numbers 1-10. We have already begun practicing name writing and reinforcing the correct pencil grips. We have some scissor skills to work on and ask parents to please correct your child's scissor and pencil grips at home if they are not using these instruments correctly. It is much harder to break a bad habit once it has been established.

Important dates to remember for February:

Monday, February 4th is our conference day

Friday, February 15th is our class party

Monday, February 18th school is closed for Presidents' Day

Wednesday, February 20th is a Parents' Club Spirit Event at PDQ

Thank you again for all your support and have a wonderful Valentine's Day.

Sincerely,
Ms. Susan
Ms. Stacie
