

**Ms. Emily's April 2019
Pre-K 3 News**

Dear Parents,

It's hard to believe it is April already! This school year is flying by! Our students have made such wonderful progress and will continue to do so for the remainder of the year.

For the month of April, we will focus on the letters W, X, and Y. While learning these letters, we will read stories and create art projects focused on the letter of the week, practice saying the sound of the letter and discuss words that begin with that letter. Our students have done a fantastic job learning their letters and we know they will finish off the alphabet strong!

During the week of April 15, we will learn all about Spring! We will not focus on a letter during that week.

Earth Day is on Monday, April 22. We will do lots of activities that week to help teach our students about Earth and how to help take care of our planet.

Do not forget that our **class music program is on Wednesday, May 1 at 9:00am**. We are so proud of the wonderful job our students have done learning their patriotic songs all about our country, America! Please make sure your child is at school by 8:45 so we can line up on the stage. Your child needs to wear **denim bottoms and either a red, white, or blue solid colored shirt**. We hope to see you all there!

Once again, thank you for all your assistance in helping your child succeed in Pre-K 3!

Important Dates to Remember:
