

Ms. Emily's March 2019 Pre-K 3 News

Dear Parents,

This school year is flying by! In the coming weeks, we will continue to work on our study of the alphabet, while also doing some fun spring activities. In the month of March, we will learn about the letters T, U, and V. While learning those letters, we will read books, practice writing the letters, and create art activities focused on the letter of the week.

We are excited to learn about oral health while we study "T is for Teeth!" We will talk a lot about how important our teeth are for our body and ways to keep our teeth healthy! Please be sure to review the various handouts with your child.

Spring Break is March 18-22! Bowman will be closed this week.

Once again, thank you for all your support! We look forward to a marvelous March!

Sincerely,
Emily Warren
Saby Cartaya
