

Ms. Mary's Pre-K Two April 2019 News

Dear Parents,

This month we are welcoming spring and all of the beautiful changes nature brings! This month our theme will focus on insects, flowers, and other garden life. We will explore changes that are happening in nature during this season. Our classroom will be getting our very own caterpillars and we are going to watch them grow, form a chrysalis, and turn into beautiful butterflies! We will also make a small "greenhouse" with seeds inside. Other concepts that will be introduced include:

Color: Yellow

Shape: Oval

Number: 9

Nursery Rhymes/Stories:

Pete the Cat's Big Easter Adventure

The Very Hungry Caterpillar

Busy Butterflies

Ten Little Caterpillars

Surprise Garden

When Spring Comes

Humpty Dumpty

Our class program will be on Thursday, April 25th. This fun performance will start at 9:00am! Please have your child to school by 8:45am and dressed in 50's attire. Our theme is "Rock 'n' Roll Nursery Rhymes," so jeans and white shirts, poodle skirts, and 50's style dresses are just some ideas. The program will last about 20 minutes. Following the program we will have a special snack outside on the playground. We look forward to this month of fun activities!

Sincerely,

Ms. Mary, Ms. Joani, and Ms. Carol

Important Dates:

4/2- Class Picture Day

4/19- No School (Non-Student Day)

4/25- Program Day: Performance starts at 9:00am!
