

Dear Bowman families,

As many of you know, Bowman Academy collects Box Tops for Education to help earn extra money for our school. A big “THANK YOU!” goes out to everyone who helped collect Box Tops in the past, and we welcome new families to get started! Our past earnings have purchased new and updated equipment for our playground.

Over the summer, many Box Tops participating products changed their packaging to move away from the traditional Box Top which had to be cut out, and now shows the new Box Tops label.

If you find a Box Top, please cut it out & send to school, otherwise all you need to do is take a photo of your receipt through the Box Tops app and your earnings are automatically added to Bowman’s account. You can even “double dip” during the transition process by clipping the traditional Box Top AND scanning your receipt. Just download the app & designate Bowman as your school (zip code 33618, listed as Bowman School). Also keep an eye out for ways to get Bonus Box Tops earnings on the app. Right now you can earn extra at Sam’s Club, Costco, Walmart, and BJ’s—but the promotions are constantly changing!

Don’t forget that the class that earns the most Box Tops wins an ice cream party at the end of the year, and students who turn in Box Tops are entered into the raffle to win the Box Tops gift basket at Fall Fest!

Thank you for helping make a difference, and helping us reach our goal of \$1,000!
