

Dear Families,

I am delighted to start a new school year teaching Spanish at Bowman Academy, and I am looking forward to meeting our new students and families.

My Spanish class consists of interactive lessons and activities; therefore, my lessons will include a lot of music, games, and dancing.

I make sure the students are having fun, while they are learning Spanish. I also use flash cards to pair photos of objects and items with the new vocabulary students are introduced to.

I have been teaching at Bowman for more than 20 years and have met so many wonderful families.

I hope we have a great new school year!

Please don't hesitate to contact me with any questions.

Gracias,
Rosie Ramos
