*Enriched Childhood Education In Carrollwood*

**Bowman Academy Newsletter – October 2020**

## School News

### Kandid Kids Photos

Kandid Kids Photography will take black and white photos of our students on 10/7 & 10/8. These are candid photos of the students taken outside on the Bowman playground. The photographer will be wearing a mask while outside. All proofs will be sent home with an order form if you wish to purchase them.

### Box Tops

Bowman is once again doing a fantastic job of collecting Box Tops for our school. Thank you to Brittany Smith and Laura McNeil (former Bowman parent) for heading up our campaign. Remember each Box Top

collected is equivalent to 10 cents for our school. Box Tops has implemented a new electronic method for collecting Box Tops using an app to scan your receipt. It's super easy to use!

### Fire Prevention Month

October is Fire Prevention month. We will discuss fire safety with our students and spend time discussing these "Community Heros." This is a great time to review home fire safety procedures with your family and check those smoke detectors!

### Progress Reports & Parent/Teacher Conferences

Individual student progress reports will be distributed on 10/15 and 10/16.

Please make sure to sign up for a Parent/Teacher Conference using the Sign-up Genius link which will be emailed by Ms. Kim. If an alternate date is needed, or no additional spots are available, please contact Ms. Kim directly.

## Parent's Club Information

### PDQ Spirit Event

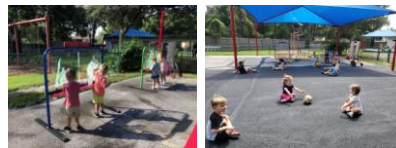

Please join us our first Parents' Club Spirit Event at PDQ (Dale Mabry and Stall Road). As you "Drive Thru" the restaurant from 5pm-8pm, tell them you are with Bowman Academy. PDQ will donate a portion of their sales to the Parents' Club from the night.

### Thank you!

We wanted to thank the Parents' Club for the incredible Outdoor Classroom that has been installed on our back field. This special area has been a long term goal for the Parents' Club and there couldn't be a better time to have this outdoor space as an

additional learning space for our children. We installed a large shade structure, purchased two outdoor art panels, and three tables. The asphalt is currently in process of being resurfaced. Check out some photos of the area in use!

### Parents' Club Pink

While our annual Fall Festival has been postponed, we wanted to remind families that all correspondence from the Parents' Club will be coming home on "pink" paper. There are several upcoming events we don't want you to miss!

### Calendar

10/7-10/8 Kandid Kids Photography
