

## **Mrs. Johnson & Mrs. Scott's November 2020 Newsletter**

### **Literacy**

During the month of November we will be learning the letters Vv, Ww, Xx & Yy. We will continue learning concepts of print (how we read) and story elements (predicting, characters, etc).

### **Writing**

We will continue learning the formations of the weekly letters. Please continue to practice writing these letters at home as well. This month we are also learning about what good writers do. Pictures and words work together to tell a story and we will work to put both of these in to our own writing.

### **Math**

This month we will be learning more 3 dimensional shapes. We will learn the cube, cone & pyramid. We will revisit patterns, counting, sorting and 2 dimensional shapes. Please have your child count things around your house and ask which number is more and which is fewer or less.

### **Science/Social Studies**

This month we will be learning about the history behind the first Thanksgiving and the tradition of giving thanks.

### **Important Dates**

**October 29-November 19 - Metropolitan Ministries Food Collection**

**November 4 - Sarge's BBQ Spirit Event - 11:30am-2:15pm**

**November 4 - Tate & Tilly Spirit Event - 10am-6pm**
