

Ms. Carol's January 2021 Newsletter

Dear Families,

Ready, set, and away we GROW! January is set for a month of adventures. We will let our imaginations soar as we explore our favorite means of transportation: planes, trains, and automobiles.

We will also sail the ocean BLUE with our favorite sing along book, "Port Side Pirates." We will work and play with the NUMBER 6 and we will create our favorite "ride" with the shape of a RECTANGLE. We sure will be busy in our classroom!

A special THANK YOU to you all for the special treats, generous and thoughtful gifts. We hope you had a restful and joyful time with all your families and friends. We are so excited to start our new year with your sweet kiddos!

Bowman Academy will be closed on Monday, January 18 in observance of the Dr. Martin Luther King Jr. Holiday.

Thank you all for all your support in our classroom and Happy New Year!

Kindly,
Ms. Carol, Ms. Joani & Ms. Mercy
