

Ms. Emily & Ms. Marlise's
May 2021 Newsletter

Literacy

What a wonderful year we have had! Our students have worked so hard mastering the letters and sounds and we are now working on blending sounds together to read simple CVC words and digraph sounds/blends! Continued practice on sight words will help reading fluency over time, so keep practicing! The May sight words are: SAID, LOOK, ME, HE, and SHE.

Math

We have been diligently reviewing all math concepts from the school year while working on learning numbers all the way to 20. Students have been working on simple addition sentences (up to 12) and are doing awesome! We will spend just a little bit of time this month exploring subtraction and will do this through whole group and hands on activities.
