

Ms. Jackie's Pre-K 3 May Newsletter

Dear Parents,

It's very hard to believe that this school year is almost over! This class has had so much fun together and we have enjoyed watching them learn and grow together! We are finishing the school year with fun activities and a full review of the letters and numbers we have learned. We will also be continuing to practice our scissor skills and handwriting.

On Friday, May 21st, the children will be performing their "Ocean of Fun" program that we have been working on in class! We are going to be recording this special presentation for you and sending it out in a link so that the whole family can watch. We apologize, but there will not be an in-person audience at this time. Please send your child to school that day in jeans (long, shorts, skirt, etc.) and a blue shirt. Any other ocean style accessories are welcome as well. The kids are having a great time practicing and are excited for the program!

Also on Friday, May 21st, we will be having our End of the Year Class Party! We will send out more information as it gets closer. Our theme will be summer fun!

We can't begin to thank you enough for always supporting your child and our class. This has been a very special year and these children are very special to both of us. Their fun and unique personalities have added so much joy to our classroom family and environment. We are so grateful to have been part of your child's learning experience! Thank you again!

With Love,
Ms. Jackie and Ms. Jen
