

Ms. Mary's May 2021 Newsletter

Dear Parents,

It is hard to believe that we are beginning our last month of school! This month we will be reviewing all of the numbers, shapes, colors, and other skills that we have learned throughout the year. We also will be learning some new concepts and skills, including:

Colors: black, white

Numbers: 10, 0

Opposites: open/close, up/down, in/out

Holiday: Mother's Day

On **Wednesday, May 19th**, our students will perform their class program that they have been working so hard on for the last two months! The children can dress in their favorite school outfit! You will receive a video link for the whole family to enjoy. We will also have our class party this day and more information to follow.

Our last day of school is **Friday, May 28th**, and dismissal is at **11:45am**. There will not be aftercare provided that day.

Your children have grown so much throughout this year! They have mastered many academic skills while learning the joy of "play." It has been a joy to see their personalities flourish and friendships grow. This year has been very different for everyone dealing with Covid. We are beyond grateful for your support and all you have done to make our classroom successful! Thank you for the opportunity to teach and love your children! We will miss each of them dearly!

Sincerely,
Ms. Mary, Ms. Colleen, and Ms. Talia
