

# Ms. Susan's May 2021 Pre-K 3 Newsletter

Dear Parents,

It is hard to believe the last day of school will soon be here. Your children have grown so much since we first met in August. They really have developed physically, emotionally, as well as academically. We are so proud of all their accomplishments throughout the year! We have really enjoyed being a part of their lives and will miss their beautiful faces next year.

This year our class program, "Bowman Live" will be recorded outside on Friday, May 21st. A link to view this fantastic performance will be sent home. We have been practicing for a few weeks and I am sure you will enjoy this collection of learning songs. Our end of the year class party will be directly after the performance. Our homeroom parents will send out a sign-up genius link.

As the year comes to a close, we will focus this month on our last letter "Z". We will continue with name writing, scissor skills, and pattern and number recognition. We will spend the remainder of the month reviewing and re-enforcing letters, numbers, colors, and shapes.

This month is Mother's Day and the children have worked very hard on their present for you. We know you will enjoy it on your special day.

Friday, May 28th is our last day of school. Dismissal for all students is at 11:45pm and no aftercare will be available.

Finally, we would like to take this opportunity to thank the homeroom moms and all the parents who have made this year such a great success. We really appreciate all you do for our class and school! Have a wonderful and relaxing summer!

Sincerely,  
Ms. Susan & Ms. Denise
