Enriched Childhood Education In Carrollwood

School News & Upcoming Dates

Great Beginning

Our first few weeks of school at Bowman have gone smoothly. Our students are adjusting to their classroom routines, renewing old friendships and forming new ones. A year of fun-filled, educational experiences is well underway!

Open House

For safety reasons, Bowman Academy will not hold its traditional Open House event on campus, but instead each

class will host a virtual meeting (see the calendar below for dates and times). Families will have an opportunity to see their child's classroom, learn about all the amazing things their child has been doing at school, and meet other families. Zoom links were emailed to families on Tuesday, 8/31. Open House is a separate event from the Individual Parent Conference which will be held in October.

Health & Safety

This year has been extremely challenging regarding the number of viruses at school. In addition to cleaning and

sanitizing the building nightly, we will begin using a Clorox 360 Electrostatic Sprayer daily on all surfaces including toys and high touch areas. This chemical is safe for use in preschools, daycares, and on food surfaces. We are hopeful this additional level of disinfecting will help to keep our students and staff healthy. However, keeping your child home when they are not feeling well is by far the best deterrent for spreading illness at school.

Parents' Club Information

Parents' Club

The Bowman Academy Parents' Club sponsors several major fundraisers during the school year, such as the Fall Festival, Cookie Dough Sale, Spirit Events, and the Scholastic Bookfair. Without parent support and participation, these events would not be possible. The proceeds from these events are used to purchase items for the school that directly benefit the students. Last year our Parents' Club purchased a shade structure for our back playground that also houses our amazing outdoor classroom.

The Parents' Club works to support the school as well as host events that provide opportunities for students and families to get together outside of school. Some of these events will be put on hold at this time. However, they will be sending out information very soon with information on how to become involved.

We are happy to have Joanna Ahmadian, Monica Illas, and Gail Wilson acting as our Parents' Club Co-Chairs again this year. They make a fantastic team! You may email them at Bowmanparentsclub@gmail.com.
