

Dear Parents and Families,

September flew by! We have seen so much learning and growth already. The students have enjoyed our exploration of the alphabet. They are discovering words that begin with the letter of the week, and recognizing the sounds each letter makes. Many of our students are singing and dancing along to our commonly played songs as they begin to memorize the lyrics and movements.

We are eager to begin one of our busiest months at Bowman! This month we will focus on the letters F, G, and H. We will then take a break from our introduction to the alphabet to have a week of Halloween fun!

Our first class party is scheduled for Friday, October 29th. Our classroom parent, Brenda, will use Sign-up Genius to coordinate food and party activities. You do not need to send a lunch to school on our party day; however, if your child is staying for rest, you may pack a snack for the afternoon.

Thank you again for all of your support!

Sincerely,

Talia Gaies & Allison Rogers
