

November

Dear Parents and Families,

October was full of fun and November will be no different! On top of the regular curriculum, the kids have been busy creating their Square 1 Art, making Halloween/Fall decorations for the classroom, and showing off their skills in time for our progress report evaluations. We have begun giving the students more responsibility by introducing "Classroom Helpers."

This month, we will resume our exploration of the alphabet and learn about the letters I, J, and K. We will also explore the themes of Fall and Thanksgiving. The Bowman Family is so excited to be hosting another Fall Festival on Saturday, November 6th from 11am-2pm. Please see the email sent by Melissa on 10/27 for more information and for volunteer opportunities.

Thank you to everyone who helped make our first class party a success! The kids had a blast! We will be sending you an email with photos of the festivities very soon.

Sincerely,

Talia Gaies & Allison Rogers
