

**Ms. Marlise's Pre-K 2 January 2022
Newsletter**

Dear Parents,

We hope you all had a wonderful holiday break filled with lots of fun and happy memories! Before Winter break your sweet little ones enjoyed learning about different holidays and celebrating them together! This month we are going to continue discussing winter and also learn about Arctic animals. We will also learn about hibernation and read some fun stories to go along with our topics. We are going to learn a new shape, color, and number, and continue to review the ones we have already learned.

Some of the concepts we will introduce this month are:

- *Color: **Blue**
- *Shape: Rectangle
- *Number: 6
- *Stories: Bear Snores On
Life In The Polar Regions
All You Need For A Snowman
Snowmen All Year
The Littlest Snowflake
Baby Bear Sees Blue

As I am sure you have heard, we had a change in our classroom over break. We are very excited to welcome a new assistant teacher, Ms. Lindsay, into our classroom! Lindsay has been in Ms. Jackie's classroom and is already familiar with our school. We just know your sweet little ones will enjoy having her with us! Although we will greatly miss having Ms. Jen with us, there will be plenty of opportunities to see her sweet face and I am sure she will stop by to say hi!

We look forward to a great month of learning and growing with your children!

Sincerely,
Ms. Marlise, Ms. Joani, and Ms. Lindsay
