

JANUARY

Dear Parents and Families,

Happy New Year! We hope you had delightful vacation from school. We are looking forward to having the children back in the classroom and hearing stories about all the exciting things they did over the break.

As we ease in to 2022, we will spend another week focusing on winter themes such as winter sports, Arctic and Antarctic animals, and snow! Then, we will jump back into our study of the alphabet. This month we will learn about the letters N, O, and P. We are also going to begin spelling and writing our first names! We will practice using uppercase letters, as this is the first stage of our *Handwriting Without Tears* curriculum.

This December at Bowman was full of celebration and we feel so lucky to have shared it with our wonderful class. Thank you for all of your support and contributions to the winter festivities, as well as the lovely, personal gifts you sent in. We really appreciate your thoughtfulness.

Sincerely,

Talia Gaies & Allison Rogers
