

**Mrs. Lisa's
May 2023 Newsletter
PK 3**

Dear Grown-ups,

It's very hard to believe this school year is almost over! This class has had so much fun together and we have enjoyed watching them learn and grow! We are finishing the school year with fun activities and a full review of the letters and numbers we have learned. We will also be continuing to practice our scissor skills, handwriting, one to one correspondence, and patterns!

On Monday, May 22nd, the children will be performing their "Rockin Rainbows Recital" that we have been working on in class! The program will start at 9:15am. We will be contacting you each separately with color assignments for your child to wear that day. Any other colorful style accessories are welcome as well! Immediately following our program, we will move to the outdoor classroom for our "End of the Year" party complete with ice cream sundaes and popsicles. We will send out more information as it gets closer, but families are definitely welcome!

The last day of school will be May 26. Dismissal for all students is at 11:45am that day. There will not be lunch or aftercare provided that day.

We can't begin to thank you enough for always supporting your child and our class. We love your kids more than you know and their fun and unique personalities have added so much joy to our classroom family and environment! Thank you, thank you, and thank you again!

**With lots of love,
Mrs. Lisa + Mrs. Jen + Ms. Emily**
