Enriched Childhood Education In Carrollwood

Bowman Academy Newsletter – April 2024

School News

Yearbooks

The Bowman Academy yearbook is currently in production. We are again using TreeRing for creating this special keepsake. Information will be sent home with directions on how to order your child's yearbook online on 4/8. The cost is \$25. Once again, TreeRing allows families to create two personalized pages which will be printed in their child's individual book. The custom page deadline is April 19. The deadline is May 1 for orders to be shipped to school. You may visit: www.treering.com/validate and use Bowman's passcode:1015670314261618.

Additional Information

Class Programs

Ms. Lisa and Ms. Talia's classes put on such wonderful performances in February showing all of us so much love! This month, Ms. Carol and Ms. Marlise's Classes will perform their class programs, with a small reception to follow. Families are invited to attend! More information will follow from your child's teacher.

Class Photos

Class photos will be taken on 4/24 and 4/25. An order form will be sent home in early May for families to order photos if interested. These will be casual playground photos.

Scholastic Book Fair

Thank you to all the families who purchased books at the Bowman Book Fair. We hope you enjoy reading all of the new books you received! Our teachers were able to select almost \$1100 worth of free books for their class libraries

Nothing Bundt Cakes

Thank you to those who participated in our Parent's Club Fundraiser. We raised a total of \$425 for the Parents' Club.

Earth Day

April 22 is Earth Day! Each year the Bowman Academy teachers plan fun and exciting activities associated with this special day including planting in our butterfly garden.

Please be on the lookout for more information coming home in the next few weeks. Additionally, our classes will watch caterpillar's grow into beautiful butterflies. We are very thankful to have such a beautiful garden to release them in!
