

Pre-K 4 May 2024 Newsletter

Literacy

What a wonderful year we have had! Our students have worked so hard mastering the letters and sounds of the alphabet. Last month, we worked on SH, TH, and CH digraphs. For the remainder of the year, we will work on short vowel word families. These mostly consist of CVC (consonant – vowel – consonant) words. During our word family studies, we will work on rhyming words as well. Please continue to practice ALL sight words at home! The May sight words are SAID, LOOK, ME, HE, and SHE.

Math

During the month of May, we will work on measuring with non-standard units of measure. We will use everyday objects, such as paper clips, pennies, cubes, and crayons, to measure the length of various objects. We will also work on simple addition and subtraction sentences. We will focus on putting two groups of objects together and taking objects away. These concepts will use lots of hands-on practice in our Pre-k 4 class! This month will also be a review of all learned concepts throughout the year, such as shapes, number writing, patterns, sorting, and using ten-frames.

Important Dates

May 10 – Muffins with Mom at 8:30am

May 17 – Last day of soccer

May 20 – Last day of dance

May 22 – Last day of yoga

May 22 – Ms. Dawn's Class Program & Graduation at 9am (End of the Year party to follow)
