

Mrs. Lee's September 2024 Newsletter

We are off to a wonderful start of our school year! Your sweet little ones have done an amazing job adjusting to school, and they are becoming more familiar with our routine every day. We are so proud of them!

September is going to be full of many fun and educational experiences for your child. This month our themes will be "Sense-A-Tional Me" and "Falling into Fall!" These themes are designed to help your child learn more about themselves and the world around them using all five senses. Other concepts and skills we will be learning this month are:

*Color: Red 

*Shape: Circle

*Numbers: 1,2

*Stories: "Pete the Cat - Rocking in My School Shoes"
"The Little Mouse, The Red Ripe Strawberry and The Big Hungry Bear"
"My Five Senses"
"Pete the Cat and his 4 Groovy Buttons"
"Mouse Paint"

*Nursery Rhymes:

"One, Two, Three, Four, Five Once I caught a Fish Alive"
"5 Little Speckled Frogs"

All of these activities will help develop language skills and social skills. They will also help develop motor skills, promote creativity, and build self-confidence.

On September 12th you will be invited to an Open House (at 5:15 MWF Class) and (at 6:15 T/Th Class). This is an opportunity for parents to attend, so they may see the classroom, go over what will be taught this school year, and discuss our classroom routine. After reviewing some initial information, there will be an opportunity for families to ask questions. (**This is a parent only event**).

We have really loved getting to know your children, and we hope that you are enjoying the school experience just as much!
