

## Mrs. Lee's January 2025 Newsletter

Dear Parents,

We hope you all had a wonderful holiday break filled with lots of fun and happy memories! Thank you parents for another round of successful class parties. It's so refreshing and wonderful to have such involved parents and grandparents. This month we are going to discuss winter and learn about arctic animals (what animals, where they live, how they stay warm and so on).

We will also have a week full of learning about transportation and all things that GO!

We will be implementing a new shape, number and color, and continue to review the ones we have already learned.

Some of the concepts we will introduce this month are:

Color: White

Shape: Rectangle

Number: 6

Stories: "Snowmen All Year"

"1 to 10 and Back Again"

"My Rectangle Book"

"Life in the Polar Regions"

"I Spy Artic Animals"

"The Littlest Snowflake"

"The Little Book of Transportation"

We look forward to a great month of learning and growing with your children!

Sincerely,

Mrs. Lee, Ms. CeCe & Ms. Joani
