

Ms. Marlise's Pre-K 4 March 2025 News

Literacy

We are almost finished with the alphabet! The last letters we will learn are Tt and Jj! Once we are finished with the alphabet, we will start working on common digraphs and blends. We will focus on SH, TH, and CH after spring break. The sight words this month will be: ARE, HIS, FOR, YOU, THAT.

Literacy Centers

The children have been enjoying spending time working in various literacy centers. The activities at these centers give students a fun and engaging way to practice early literacy skills and encourage social interactions. We will continue working in these centers each week.

Writing

The children have been doing a great job forming the letters we have learned. We will continue to practice the proper letter formation each week. This month, we will spend some time working on the lowercase letters that haven't quite been mastered. During Writers Workshop, we will use a variety of stories, and the children will label their work with the sounds they hear at the beginning, middle, and end of word. In addition, students will continue working on writing simple sentences using common sight words and proper spacing.

Math

We will continue our number study. We will be learning the numbers 15, 16, and 17 and revisit the concepts of counting, graphing, patterning, and ordinal numbers. We will also start learning to combine and separate sets.

Science

Spring is in the air! We will focus on the seasons and learn all about Spring! What a magical time of the year with all of the amazing changes happening all around us!

Important Dates

March 3-7 - Dr. Seuss Week! Thank you to those who have helped with snacks!

March 7 - "Bowman Movie Night & Book Fair Kickoff" 5:30-8:00pm

March 10-14 - Scholastic Book Fair (Select Hours)
