## IMPORTANT DATES

## A LETTER FROM YOUR TEACHER

Hello Families!

We can't believe the school year is almost over! Time has truly flown by, and we are so proud of how much our students have grown and learned. April is going to be such a fun and exciting month as we continue to finish strong!

We're excited for our Spring Egg Hunt on April 1st! This will be a fun, hands-on activity for our students to enjoy as we kick off the month with some springtime excitement. A special thank you to Marybeth Wyse for generously providing the egg cartons for our hunt—we truly appreciate your support!

We are so excited to welcome caterpillars into our classroom this month! Students will observe the life cycle as they grow and change, and eventually, we will get to release our butterflies. This is always such a magical experience!

In honor of Earth Week, we will be doing some planting activities and learning how to take care of our environment. Our students will explore ways to help keep our Earth clean and healthy.

We will continue learning about the spring season, including weather changes, plant growth, and how the world around us comes to life during this time of year.

We are wrapping up so many important skills! This month we will be:

- Reaching the end of the alphabet
- Reviewing shapes, numbers, and colors
- Continuing to practice sharing, kindness, and teamwork
- Working in our small groups

We're also excited to start using pencils this month as we continue building our writing skills!

As we enter the final stretch of the school year, we're excited to keep learning, growing, and making special memories together!

Warmly,  
Ms. Asiyah

- 4/1- Spring Egg Hunt
- 4/1- April Family Projects Go Home
- 4/1- Class Photo
- 4/3- NO SCHOOL
- 4/8- April Family Projects Due
- 4/15- Wear the Month's Color: **PURPLE**
- 4/22- Happy Earth Day!
- 4/24- Class Planting
- 4/25- James' Birthday!

## LEARNING FOCUS

- Letters: We are introducing and practicing writing the capital letters X, Y & Z, while also exploring their sounds.
- Number: Recognizing and counting the number 8.
- Shape: Exploring Diamonds through art, games, and everyday objects.
- Patterns: Continuing our AAB patterns
- Color: Our monthly color is Purple –we'll be finding purple items in our room and creating purple -themed art projects!
- Social Skills: Continuing to practice sharing, using kind words, and taking turns during play. Continuing classroom jobs to build responsibility and independence.
- Continuing small group time for more hands-on, focused learning activities.

## REMINDERS

- Please send in family projects on the due date so we can display them in our classroom.
- Check and return Blue Folders daily.
- Bring Bowman Bags each day.
- Keep reading & reviewing letters at home.
- Don't forget to dress accordingly as the weather changes.
