Enriched Childhood Education In Carrollwood

Bowman Academy Newsletter – April 2026

School News

Yearbooks

The Bowman Academy yearbook is currently in production. We are again using Tree Ring for creating this special keepsake. Information will be sent home with directions on how to order your child's yearbook online. The cost is \$25. Tree Ring allows families to create two free personalized pages which will be printed in only their child's individual book. The custom page deadline is April 17. The deadline to purchase a book with guaranteed shipment to school is May 1. You may visit: www.treering.com/validate and use Bowman's passcode:1015670314261618.

Additional Information

Class Programs

Ms. Asiyah and Ms. Talia's classes put on such wonderful performances in February showing all of us so much love! This month, Ms. Carol and Ms. Lee's Classes will perform their class programs, with a small reception to follow. Class families are invited to attend! More information will follow from your child's teacher.

Class Photos

Class photos will be taken throughout the month of April. Please check out messages on Class Dojo for your child's date. An order form will be sent home in early May for families to order photos if interested. These will be casual group photos.

Scholastic Book Fair

Thank you to all the families who purchased books at the Bowman Book Fair. We hope you enjoy reading all of the new books you received! Our teachers were able to select over \$1000 worth of free books for their class libraries.

Nothing Bundt Cakes

We are launching a Parents' Club Fundraiser this month. Families are able to purchase vouchers for delicious goodies at Nothing Bundt Cakes. Details will be sent home soon.

Earth Day

April 22 is Earth Day! Each year the Bowman Academy teachers plan fun and exciting activities associated with this special day including planting in our butterfly garden.

Please be on the lookout for more information coming home in the next few weeks. Additionally, our classes will watch caterpillar's grow into beautiful butterflies. We are very thankful to have such a beautiful garden to release them in!
