

SEPTEMBER

newsletter

Dear Pre-K 3 Families,

We've been having a wonderful time at school getting to know each other and building friendships these first few weeks!

One of our academic goals this school year is to have students be able to recognize and identify the letters of the alphabet in their uppercase form. We will introduce a new letter, in alphabetical order, each week. Our stories, songs, art projects, and class activities will be related to the letter of the week. In addition, students will be practicing pre-writing and writing techniques with the help of our "Learning Without Tears" program. This program assists students with hand strengthening, pencil grip, and fine motor skills, as well as correctly forming the letters of the alphabet. This month we will cover letters:

A B C D E

We will learn about colors, shapes, patterning, number recognition, and counting in September. We will explore the theme of "Apples" in our Science & Discovery Center. As always, we will continue to practice sharing, taking turns, following procedures, and being a kind friend.

We are pleased to present you the opportunity to get a glimpse of your child's daily routine and tell you more about our goals and objectives for the school year. Our ADULT ONLY Open House will begin at 6:30 pm on Thursday, September 17th. We hope to see you there!

Ms. Talia and Ms. Miranda

IN OTHER NEWS

Thank you, Daisy Santos (Luka's mom) for being our 2026-2027 Class Parent! I'm looking forward to working with you and all of our other incredible volunteers to create an unforgettable Pre-K 3 experience!
