

OCTOBER

newsletter

Dear Pre-K 3 Families,

September flew by! We are excited to enter a new month and a new season together. We have witnessed so much learning and growth already, socially and academically. The children are beginning to recognize letters in print, and enjoy discovering words that begin with the letter of the week. This month we will cover the letters:

F G H

In addition to our letter review, we have planned a spook-tacular week of Halloween fun! Our first Class Party will be Wednesday, October 28th from 10:45am-11:45am. Parents are encouraged to attend all of our class parties, so mark your calendars now!

We will learn All About Pumpkins in our Science & Discovery Center this month. We will continue reviewing shapes and the numbers 1-5.

Our first round of Parent/Teacher conferences are scheduled for Monday, October 12th - this will be a non-student day.

Please check ClassDojo regularly for information about upcoming events and for opportunities to get involved. There is a lot to look forward to this season and we are always grateful for your participation and support.

Ms. Talia and Ms. Miranda

GRANOLA WITH GRANDS

We are excited to host our 3rd annual "Granola with Grandparents" breakfast on Friday, October 16th from 9am-10am. An invitation and informative flyer will be sent home in your child's folder with more details. This event is for students and grandparents only - no parents, please. If your child does not have a grandparent able to attend, he/she may invite another person who is "grand" to them (i.e. an aunt/uncle, a neighbor, or a family friend.)
