NOVEMBER

Mrs. Lee's Pre-K 2 Newsletter

Dear Parents,

October was a Spook-tacular month! Thank you to our class parents for such awesome fun-filled Halloween parties and all the goodies that came with it! We couldn't have done it without all the parent involvement and support from everyone.

I've already seen so much progress and growth in our little ones! From redirecting themselves to stay on task, to opening up and being more social with teachers and friends. Every day that they attend is a little more growth that builds over time. The kids have really started to focus and take their time on art lessons, giving it their best instead of rushing through in order to start independent play!

November is another crazy busy, action-packed month. Between our "Everything But the Turkey Food Drive," "Bowman Fall Festival," "Turkey Trot and Student Feast," as well as Thanksgiving themes and activities it's bound to be a memorable month. This month our themes will be "Attitude of Gratitude" where we will learn to have a thankful, kind heart in all things and "S'more to learn" where we will focus on our learning objectives with an adventurous camping theme!

CONCEPTS & SKILLS

- **Color:** Brown
- **Shape:** Square
- **Number:** 4

STORIES
